The Committee’s decision shall be final in all matters not specified herein.

ELEGIBILITY OF EXHIBITORS:
1. All sections are open only to members, unless otherwise stipulated.
2. Entries must be returned to the Hon. Show Secretary by email or by telephone, no later than the Wednesday before the Show.
3. No exhibitor may make more than one entry in any class.
4. All horticultural exhibits must have been grown by the exhibitor in his or her own garden or allotment for a period of not less than two months previous to the date of the Show and the Committee reserve the right to satisfy itself, by a visit or otherwise, that this is the case. Any exhibitor in breach of the regulation will be disqualified from receiving any prize at the Show and, at the sole discretion of the Committee, may be debarred from exhibiting at any future Show.
5. The Committee reserves the right to refuse an exhibit and to debar anyone from exhibiting who in its judgement is ineligible; and also, to decide in which sections exhibitors may enter.
6. Exhibits must be staged during the times given at the head of each Show Schedule.
7. Exhibitors must leave the hall by 10.45 am on the morning of the Show once they have staged their exhibits.
8. Class cards will be supplied for each exhibit and exhibitors are responsible for placing these face downwards by the exhibit to which they refer. The cards will be reversed when judging is completed.
9. Vases and/or plates will be provided for Horticultural Classes, unless otherwise stated and no other containers will be accepted.
10. Exhibitors are requested to name their exhibits where possible. Suitable labels will be provided. Errors in naming or failing to name will not disqualify.

14. The decisions of the Judges will be final subject to Regulation No 15. The Judges may withhold any prize if, in their opinion, the exhibits are not of sufficient merit and will disqualify any exhibit that is not strictly according to Schedule.
15. An exhibitor who considers that an award had been incorrectly given because the exhibit is not in accordance with the Schedule, or considers that he/she has been incorrectly disqualified may lodge a protest in writing with the Show Captain or the Secretary up to 4 pm on the day of the Show or 9.30 pm at an evening show. The protest must be accompanied by a deposit of 30p which will be returned, if the protest is upheld.
16. The Judges will regard correctness and clearness of naming as telling in favour of an exhibit in a close competition.
17. Only authorised persons are allowed to be present while judging is in progress.

SHOW NOTES

GENERAL
Throughout the Schedule the words, kinds and cultivars are used in the following sense; Roses and Dahlias are different kinds of flowers, ‘Peace’ and ‘Felicia’ are different cultivars of roses.

ANNUAL – a plant which grows from seed and which naturally and ordinarily flowers, seeds and dies (irrespective of frost) within twelve months.

HORTICULTURAL
Exhibits should be named where possible, as it helps to make the shows more interesting. Furthermore, in a close competition, correct naming will tell in favour of an exhibit.

NB: No buds on roses.

Flowers should be fresh and free from damage due to weather, pests, disease and faulty handling.

Vegetables should be clean, fresh, tender and free from blemishes and should be properly prepared for exhibition. Roots should be washed clean (use a sponge and not a brush).

All fruit should be ripe and free from blemish. Its appearance is enhanced by the preservation of its natural bloom.

Apples should not be polished.

Black, Red and White Currants should be shown in bunches as grown.

Other soft fruit should be shown on the stalk.

FLOWER ARRANGEMENT
Exhibit: Plant material with or without accessories.
Figurine: One figurine or group of figurines of any material appearing as one entity. This may be part of the container or used separately.
Accessory: A figurine, candle, ornament, plate, stones or shells, drape or any object or non-plant material used as part of, or apart from, the arrangement. Accessories may always be included, unless specifically forbidden by the Schedule.
Drape: Piece of material placed behind an arrangement.
Base: Can be wood, metal, fabric etc. on which the container stands.
Container: Can be anything at all which will hold plant material, but these must be in water or water retaining material.
Vase: Any container the height of which is greater than the top diameter.
Bowl: May be any shape and must have a diameter greater than its height.
Space: No part of an exhibit may extend beyond the given space whether or not a niche is provided. On the other hand, an exhibit may be penalised for being too small for the space allowed.
Niche: The niche colour is off-white and two sizes are used: 24” wide and 31” high or 30” wide and 32” high. The size used will be stated against the class.
DOMESTIC
Preservation:
Branded bottles, jars and/or lids must not be used.

Twist-off lids may be used for jams and preserves but not screw top lids. It is always recommended to use a wax disc when using cellophane covering on a jar of Jam, Jelly or Marmalade. If using a plastic covering held with a rubber band, use clear (no pattern) cellophane and not ‘cling film’ type products.

All Jam, Chutney and soft drinks must be labelled with name of contents and date made, ie: day, month and year). Jars must be filled to the top. Stickiness and finger prints may be removed from the outside of bottles and jars by cleaning with a little methylated spirit and polishing with a soft cloth.

Lemon (or Orange) Curd must have a wax disc and cellophane cover.

Chutney and Pickles must be at least three months’ old. The jar must have a new vinegar proof twist top and no wax disc is needed under this.

Soft drinks must be in a clear glass or plastic screw-top bottle; 500 ml. approx.

Cookery:
Make sure the cake tin is the size stated in the recipe.

Cherries are not a dried fruit and must not be used if the recipe asks for dried fruit. A help in stopping glace cherries from sinking in cakes is to cut them in half, wash and dry them well, and then add them to the weighed flour.

It is always correct to glaze puff pastry. Shortcrust pastry which is used for fruit pies must not be glazed, but a little sugar may be sprinkled on when cooked.

Recipes:
For anyone who has not got a good recipe for the classes in any of our Shows, our resident cook, Graeme Boast, will be happy to supply you with one and give tips. He may be contacted at 83 Chipstead Lane, Lower Kingswood (Tel: 01737 832395).

In some classes the recipe printed in the Schedule must be used – this will be clearly indicated.

JUNIOR SECTION:
Open to those under 15 years of age. Classes will be judged for two age ranges, ie: age 8 years and under; age 9 – 14 years. No entry fees.
